Through the Eyes of the Beholders: Two Families Collect Arizona Art

All of the artists in this exhibition called Arizona home. Can you find art created in each of these places?

1. Apache Junction
2. Payson
3. Tucson
4. Page
5. Phoenix
6. Scottsdale
7. Prescott

Talk about it!: Consider these ideas as you walk through the exhibit.

- What do you like to collect and why?
- Do you see similarities in different pieces, images, or ideas? Which 3 artworks would you group together? What do they have in common?
- Which of these pieces would you add to your own collection and why?
- Does looking at any of the artworks make you think of something or someone? What about it makes you think that?
- What representations of Arizona do you see? Do you think these are realistic or imagined representations?

Eye Spy!: The following animals are hidden throughout the exhibition, can you find them in the art and in the word search below?

Dog, Horse, Hummingbird, Turtle, Rat, Cheetah, & Toad
